- Academic Integrity
- Animal Care Program
- Business Transformation and Optimization
- Campus Recreation
- Capital Program Management
- Enrollment Management
- Planning
- Procurement
- Real Estate
- Resource Management
- Scripps Institute of Oceanography
- Student Affairs

# C o r e L e a d e r s h i p   T e a m

- 
- Kevin Chou - ITS
  - Ron Joyce - ITS
  - Chris Smith - ITS
  - Kathryn McAhren - ITS
  - Andrew Weidler - SFS
  - Gayle Ta - SFS
  - Roger Zuniga - UCSD Health
  - Robert Meza - Police
  - Gina Webb - Imprints
  - Greg Ferguson - Library

# I D C a r d O v e r v i e w

- 
- Identification
  - Physical security and access control
  - Logical access
  - Cashless transactions
  - On-campus transportation
  - Barcode and magnetic strip functionality

# Problems

**Multiple ID Cards**

**Multiple Offices Issuing ID Cards**

**Poor User Experience & Security**

**Increased Maintenance & Support**

**Compatibility Constraints**

**Escalated Costs to Address New Technology**

# Goals

# Implementation Timeline

August 2018

Implementation  
for Students

March 2019

Implementation  
for Employees

Future

Implementation for UC  
San Diego Health  
employees & Extension  
students

# ■ C u r r e n t   S t a t e

- Multiple ID cards, print systems, and titles
- No standardization of equipment or processes

# Future State

- Improved economy of scale and volume sourcing
- Equipment matches ID cards
- No unnecessary ID cards (i.e. access cards, etc.)
- SFS take on majority of printing responsibility across campus
- One Card implementation for UC San Diego Health, University Extension, and other campus affiliates

# Benefits

**Adheres to new  
UC San Diego  
branding**

**Enhanced  
Security**

**Backwards & forward  
system compatibility**

**Near-field,  
prox., and  
chip  
utilization**

**Preferred  
Name  
compliance**

**Allow for better  
transition to  
mobile ID  
credentials**

# B e n e f i t s

## Mag Stripe/Near-Field Reader Application

- Originally designed for one user group
- Other departments heard about the application, and requested customization for their group
- Communicates with both swipe (mag stripe) and near-field (chip)
- Currently utilized by HDH FitLife, ResLife offices, and some business units
- Can be used for user and card verification

# B U S I N E S S M O D E L

Cost Savings Associated with Utilizing Volume Sourcing

**\$15K**

YoY Savings

**UCSD Staff +  
Academic**

**\$72K**
